An Adventure Outside

Written by Paul Shipton

Meg, Ted and Super Sammy are Will's toys.

Where's Will?

He has got a new computer game.

This is boring!
He's *always* on
the computer.

Meg is at the window.

Let's go outside!

Come on, Sammy.

I don't like this!

The toys are on the street outside.

This is fun! We can go to the park.

Wait! What's that?
